

PUBLIC MEETING

Proposed Water and Sewer Utility Code Revisions

July 8, 2010

Hosted by the Environmental Services Commission

Bellevue City Hall, 450 110th Avenue NE, Conference Room 1E-112

First agenda item at regular Commission meeting, at 6:30 p.m.

The City of Bellevue's Environmental Services Commission will hold a Public Meeting on July 8th at 6:30 p.m. to provide an opportunity for residents, businesses, and developers to comment on proposed Water and Sewer code revisions. The codes are being revised to:

- clarify that adjacent water systems that use Bellevue water in emergency circumstances shall pay for the water at current rates;
- extend the life of side sewer permits from one to two years;
- extend the duration of the effect of latecomer agreements from 15 to 20 years;
- revise code violation and enforcement provisions to parallel those adopted for the Storm Code in 2009; and
- in general, update the codes for clarity and consistency with other city codes.

The affected Bellevue City Codes are the *Water Utility Code* (24.02), the *Sewer Utility Code* (24.04), and the *Utility Service Charge Relief Code* (24.10). If recommended, the *Civil Violations Code* (1.18) will also be revised to incorporate revisions affecting enforcement of water and sewer code violations.

Timetable for adoption (tentative)

- | | |
|----------------------|--|
| • September 7 and 13 | City Council study sessions on the proposed code revisions |
| • September 27 | City Council adoption of the codes package |
| • October 27 | Revised codes become effective |

For more information

- Proposed code revisions are available for reviewing at the Service First desk (under Project File #10-115492 AB) on the first floor of Bellevue City Hall or electronically at www.bellevuewa.gov/development-services.htm.
